Implementation of Feed-in Tariffs

Re: Identification of Experts for Panel Hearing

Dear Commissioners:

This letter is to identify Hawaii Renewable Energy Alliance's ("HREA's") experts
for the April 13 to April 17, 2009 Panel Hearing on the subject docket. Specifically,

- Warren S. Bollmeier II will be the principal HREA expert and is assigned
to all eight panels,
- Jody Allione, Renewable Energy Consultant and HREA member, will be
available as required or appropriate for all eight panels, and
- Richard Horn, Hawi Renewable Development and HREA member, will
be available as required or appropriate for all eight panels. Note: as of
this date, Mr. Horn's travel arrangements have not been confirmed. We
will update the Commission as appropriate.

This letter is being served on April 6, 2009 as follows: two copies by hand-
delivery to the Consumer Advocate and to the rest of Parties by electronic
transmission.

Sincerely,

Warren S. Bollmeier II
President
